

Jingle Hike Challenge

How It Works:

There are bells tied to trees in 12 different parks in the Metro East region. Use this brochure to visit each park and find the bells. Then:

1. Take a selfie with the bells on the tree.
 2. Share your photo with us in one of these three ways:
 - On Instagram or Twitter simply use [#jinglehike](#). Make sure your post is public so we can see it.
 - On Facebook use [#jinglehike](#) AND tag us [@heartlandsconservancy](#). Also make sure your post is public.
 - Email your photo to treks@heartlandsconservancy.org.
- Only registered participants are eligible for this year's prizes. Please register at: www.heartlandsconservancy.org/jinglecontest.php
- For each submission, you will be entered into a prize drawing. Must be registered and 18 or older to win.
- BONUS ENTRY: For each submission, you will be awarded an extra entry if you can correctly name the tree species (example: white oak).
- If you find 6 or more of the bells, you will be entered to win the grand prize.
