

# Spring 2024 Native Plant Sale

The **Spring 2024 Native Plant Sale** & will be held on April 27, 2024, at Clinton Hills Conservation Park in Swansea, Illinois. Several varieties of Native Plants will be available for purchase.

**Online Native Plant pre-orders begin Friday, March 22, 2024, and close Wednesday, April 10, 2024.** We highly recommend pre-ordering plants, as selection may be limited on the day of the sale.

**Online orders must be picked up at the Native Plant Sale on April 27, 2024** from noon to 3:00 pm at the Swansea Clinton Hills Conservation Park Pavilion, 1524 Clinton Hills Parkway, Swansea, IL 62226. HeartLands Conservancy cannot ship or hold plants.

Visit [heartlandsconservancy.org/native-plant-sale/](http://heartlandsconservancy.org/native-plant-sale/)

## How to use this native plant list:

- Native plants are categorized below by light and moisture requirements.
- Shrubs are listed separately on the last page.
- Both genus species and common names of native plants are listed.
- Height and spread are listed to make it easier to determine where they will fit in your landscape or garden.
- Typical bloom time and color are shown.
